SKILLS

Git | HTML | CSS | LESS | Material-UI | JavaScript | React | TypeScript | PostgresSQL | Node.js | Python

PROJECTS

[StorySquad] | [GitHub-FE] | [GitHub-BE]

An educational game for children focusing on creative writing and drawing submissions to compete with peers.

- ❖ TypeScript, Material-UI, TypeORM
- ❖ Successfully developed core game mechanic for both Front-End and Back-End
- ❖ Improved code-climate (CC) scores to A. Reduced CC technical debt scores on both repos
- ❖ Met deadlines for both release canvases assigned

[The-Queue] | [GitHub]

A ticket system designed for bug tracking and technical support.

- ❖ React-Hook-Form, React-Redux, Redux-logger, Axios, Thunk
- ❖ Engineered app functionality to initiate across user types
- ❖ Successfully implemented CRUD operations and state management
- ❖ Orchestrated workflow across teams and problem solved with consistent pair programming

EMPLOYMENT

A New Way Day Services Inc.

Case Manager Supervisor   *05/2018 -10/2019*

- ❖ Supervised a small team of case managers, whilst managed quality control of own caseload within HIPAA compliance (for 70 employees and their clients). Maintained the continuation of ABA services for clients in high pressure environment (100% success rate for service authorization appeals).
- ❖ Effectively communicated and liaised with employees, caregivers, and insurance providers. Mitigated opportunities for conflict. Followed protocols to resolve accordingly or escalate if required.

Board Certified Assistant Behavior Analyst (BCaBA)   *08/2017 - 04/2018*

- ❖ Evaluated, monitored, and reassessed data collated by employees. Accordingly, assembled behavior support plans for individuals with autism and vulnerable children in foster care.
- ❖ Developed and upgraded employee training content and materials to industry and company standards. Designed office procedures and digital assessment tools. Trained new and existing staff on latest systems and technologies.
